

Shaykh Sālih bin Sa'd as-Suhaymī
(hafidhahullāh)

ON SHAYKH FALĀH ISMĀ'ĪL MANDIKĀR¹

Bismillah ir-Rabmaan ir-Rabeem

A few days ago, some ignoramuses and fools were ranting and raving about a man who is considered one of the pioneers of the Salafī da'wah in Kuwait, our brother Shaykh Falāh bin Ismā'īl Mandikār, may Allāh cure him and grant him good health, he is currently in London, make du'a for him to be cured. Some of the young ones, some of the youth, some of the deluded ones, are writing articles [warning] “do not listen to him”, “drop him”, “he is not to be listen to because one of his other colleagues has been spoken about”! This is foolishness! This is utter foolishness!

Speaking about the 'Ulama, the Shuyūkh and the students of knowledge. The flesh of the scholars is poison, and Allāh's Sunnah with those who denigrate them is well-known. So beware of this speaking about the honour of the students of knowledge and the 'Ulama. The matter is dangerous. The matter is of the utmost danger. If a person comes to me wanting to turn my heart against my brother then it is upon me to reject such an individual [i.e. the one who comes trying to instil hatred] and not allow him to blow his poison on me.
